VCC NEWS

- Congratulations to Barry, Lora, and Abby Thompson on the birth of Aubrey on Monday, December 1 at Conway Regional! Aubrey weighed in at 7 pounds, 11 ounces and she was 19 inches long. Please keep the Thompson family in your prayers.
- Please check the board in the kitchen for service opportunities. Men, we have some slots open for the devotionals on Wednesday evenings. Ladies, there are openings for the nursery. We also need hosts for the Youth Devotionals.
- As we did last year, the congregation is trying to identify a few opportunities to be of assistance to those in need during the holiday season. We are still in need of information on families that may need help. Please pray that God will provide us opportunities to help and be a positive influence. If you know of other opportunities such as these, please see Karen Henderson or Lisa Knight.

- Mark your calendars for Youth Outreach University 2009. It will be held on January 23-25 on the UCA campus. The speakers have been set. Mike Tanaro and Wiley Lowe will be the speakers at this YOU. They are both returning speakers and will do a fine job. More details coming soon!

A REVOLUTION IS COMING

I am no prophet of the son of a prophet, but there is one thing I know: A revolution is coming and there is no way to stop it! It's going to sweep across our nation as quickly as a prairie fire borne by strong southern winds. And nothing will be able to stand before it.

Our efforts to stem this advance will be as futile as the balloons designed for the defenses of Paris which "mounted heavenward, so beautifully, so unguidably." Our efforts will be as ineane as the suggestion of one citizen who, during the revolution, worked out a scheme of a huge wooden cannon "which France shall exclusively profit by." It was to be made of staves by the coopers of Paris. Thomas Carlyle reports that the wooden cannon was "of almost boundless caliber, but uncertain as to strength."

Whatever efforts we make to confront our coming revolution will be as silly and as ineffective as those suggested by some in a past century.

The revolution has begun, and shortly will take over every federal government office, judgeship, police force, state government, school, hospital, business, and every church.

This is certain and sure, and there will be no exceptions.

The revolution is *the youth of today*. Today, we have the opportunity to teach and train. Tomorrow will be too late. It is of unspeakable importance to "train up a child in the way he should go."

Daniel Webster said, "If we work upon marble, it will perish; if on brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, and imbue them with principles, with the just fear of God and love of our fellow-man, we engrave on those tablets something that will brighten to all eternity."
